Vision and Mission of KLE Technological University

Vision

KLE Technological University will be a national leader in Higher Education–recognised globally for innovative culture, outstanding student experience, research excellence and social impact.

Mission

KLE Technological University is dedicated to teaching that meets highest standards of excellence, generation and application of new knowledge through research and creative endeavors.

The three-fold mission of the University is:

- To offer undergraduate and post-graduate programs with engaged and experiential learning environment enriched by high quality instruction that prepares students to succeed in their lives and professional careers.
- To enable and grow disciplinary and inter-disciplinary areas of research that build on present strengths and future opportunities aligning with areas of national strategic importance and priority.
- To actively engage in the Socio-economic development of the region by contributing our expertise, experience and leadership, to enhance competitiveness and quality of life.

As a unified community of faculty, staff and students, we work together with the spirit of collaboration and partnership to accomplish our mission.

Vision and Mission Statements of KLE LAW COLLEGE BENGALURU

Vision

To inspire, sculpt, and empower the students through holistic education to attain the objective of 'Learn with Purpose and Live with Purpose.

Mission

- To disseminate industry-oriented legal education of global standards rooted in social values.
- To impart coherent legal education by laying special emphasis on participative clinical learning.
- To promote the values of democracy, diversity, and inclusiveness.
- To calibrate curricular, co-curricular, and extra—curricular activities in tune with the vision of the Institution and also foster democratic values.
- To organize community and social concern-oriented programmes in the domain of law with the common man as the focal point.
- To create an apt atmosphere for learning with the aim of developing ethically strong and morally exalted individuals with the values of love, truth, service, and sacrifice.
- To promote research culture and nurture innovative ideas among the faculty and students

Program Educational Objectives/Program Outcomes and Program-Specific Objectives

Program Educational Objectives -PEOs

School of Law accomplishments that graduates are expected to attain after 3 to 5 years of graduation

- 1. **Legal Competence:** Graduates will demonstrate legal competence by effectively applying legal knowledge, critical reasoning, and analytical skills to interpret, draft and argue legal matters in diverse practice areas.
- 2. **Leadership Role:** Graduates will actively embrace leadership roles and strive to achieve professional and organisational goals with adherence to legal ethics, professional responsibilities, teamwork and an appreciation of cultural diversity.
- 3. **Societal Development:** Graduates will contribute to nation-building by engaging in legal practice, policymaking and advocacy that address societal challenges and uphold constitutional values and justice for all stakeholders.
- 4. **Professional Development:** Graduates will actively participate in ongoing professional development, continuously upgrading their legal expertise to adapt to evolving legal landscapes and emerging areas of law in a dynamic global context.

Program Outcomes-POs

- **PO1.** Knowledge of Law: Graduates will demonstrate a comprehensive understanding of substantive and procedural laws across diverse areas of the legal system.
- **PO2. Facts and Problem Analysis:** Graduates will analyze facts and legal issues to identify problems and apply relevant legal principles for resolution.
- **PO3. Design/Development of Solutions: Designing Solutions:** Graduates will design effective legal solutions, draft arguments and propose policy reform.
- **PO4. Conduct Investigations:** Graduates will conduct doctrinal and empirical legal research using appropriate methodologies and credible sources.
- **PO5. Research Tool Usage:** Graduates will utilise modern legal research tools, digital databases and technology-driven legal applications effectively.
- **PO6. The Law and world:** Graduates will evaluate the role of law as a tool for social transformation and advocate for justice and equity in society.
- **PO7. Environment and Sustainability:** Graduates will recognize environmental concerns and contribute to sustainable legal solutions that uphold ecological balance.
- **PO8. Ethics:** Graduates will demonstrate ethical conduct, practice integrity and maintain accountability in all professional and academic engagements.

- **PO9. Individual and Teamwork:** Graduates will function effectively as individuals and collaborate as team members in multidisciplinary and multicultural settings.
- **PO10. Communication:** Graduates will communicate legal ideas, construct arguments, and present findings clearly through persuasive writing and articulate oral advocacy.
- **PO11. Project Management and Finance:** Graduates will apply basic principles of project management and financial literacy in legal practice and organisational contexts.

Program Specific Objectives -PSOs

- **PSO1 Focused Legal Professional Skills:** Graduates will demonstrate litigation, drafting, legal interpretation, and court procedures through an intensive legal curriculum.
- **PSO2 Judicial and Public Service Readiness:** Graduates will analyze legal concepts and procedures for roles in the judiciary, legal services, and public service commissions.
- **PSO3 Ethico-Legal Professionalism:** Graduates will uphold constitutional values and the rule of law in professional conduct and legal decision-making.
