

Date : 28/9/2020

Dear Students,

As you are aware, the regular classes have commenced from 8th Sep 2020. Though few students are actively participating and availing facility of the learning which is in progress, all are informed to participate with utmost attention. It is also observed that some students are not regularly attending the online classes. Attendance is monitored by considering the login time to the Zoom platform. Considering the ongoing pandemic there won't be offline classes conducted for the topics covered online. Hence, all are informed to pay utmost attention, attend classes sincerely and regularly to ensure attendance and to keep the learning in progress. Further, those who are not admitted to the next class shall get admitted before the last date (05.10.2020) to avoid loss of academic year.

As always, to ensure continuity in academic activities, in addition to the regular conduct of the classes, the curricular, co-curricular, extracurricular and other activities are continuously organized, without waiting for offline classes / activities to commence, all are informed to participate and avail the opportunities. You may also make use of the opportunities to undergo online internship at an organization of your choice or with the assistance of 'Mentor- Placement Cell ', which will be considered as compliance.

Regarding commencement of offline classes, though there are different circulars and report of the meetings, it is not yet made clear by the University / Government / Statutory Bodies. Hence, all are informed to concentrate on attending online classes seriously and regularly from home and plan your travel only after prior intimation by the college.
